New User & Account Registration: BEES App

Registration on iPhone and Android

The screenshot shows a mobile app interface for user registration. At the top, it says "Your Name". Below this, there are two input fields: "First Name" and "Last Name". A "NEXT" button is positioned below the "Last Name" field. At the bottom, there is a "BEE'S Support" link and a note: "For questions related to product, pricing or delivery, please contact your sales representative."

2C. Input User Info

Information Required:

- First Name
- Last Name

The screenshot shows a mobile app interface for creating a password. It says "Create Password" at the top. Below this, there is a "Set a password" section with a note: "Use at least 8 characters. Combine at least two character types: uppercase letters, lowercase letters, numbers, and symbols." There is an input field for the password and a "DONE" button below it. At the bottom, there is a "BEE'S Support" link and a note: "For questions related to product, pricing or delivery, please contact your sales representative."

3. Create Password

Password Requirements:

- Min 8 characters
- Min 1 letter
- Min 1 number

The screenshot shows a mobile app interface for linking business information. It says "Link Your Business" at the top. Below this, there is a note: "Your Account ID and Invoice ID are on your invoice." There are three input fields: "Account ID", "Invoice ID", and "Zip Code". A "DONE" button is positioned below the "Zip Code" field. At the bottom, there is a "BEE'S Support" link and a note: "For questions related to product, pricing or delivery, please contact your sales representative."

4. Input Account Info

Information Required:

- Account Number
- Invoice Number
- Account Zip Code
